

You are invited...

Creating the Rail Infrastructure to support Businesses from Oxford to Hereford

You are invited to an important half-day conference for businesses and key stakeholders in our area on Friday 12 February, from 09.00 to 14.00 at Witney Lakes Resort, Witney, OX29 0SY. It is to help build the case for better local and long distance services on the North Cotswolds Railway Line including to and from London and Heathrow.

West Oxfordshire District Council, Great Western Railway, Oxfordshire LEP, Worcestershire LEP, Oxfordshire County Council, Worcestershire County Council and business groups from across all counties along the line hope you will be able to attend.

Help us put business first and tell us what business needs for a better railway.

- Easier access to a better rail service means better business; increasing economic activity, supporting recruitment and retention and bringing international and regional markets within easy reach
- Less than 20% of tourists venture outside London – a great rail service, marketed alongside the great North Cotswolds could increase visitor numbers to Oxford, Worcester and Hereford

But we need to hear from businesses directly!

The Conference will be chaired by Lord Richard Faulkner and will be addressed by a Very Special Guest. A light lunch is also provided.

This event is FREE, but booking is essential.
