WHO SHOULD ATTEND?

Aimed at employers who will, or may be, in scope for the levy in April 2017. Whether you are already employing a large or small number of apprentices, the levy will have a **significant impact** and you will want to **maximise the return on this investment** and understand **how the levy will work** and **how you can get more out than you pay in**.

WHAT'S COVERED

- What is the apprenticeships levy, when does it come into effect and how do you pay it?
- What is the Institute for Apprenticeships?
- What is the Digital Apprenticeship Service and when does the funding in my digital account expire?
- What counts as an employers pay bill and how to calculate your levy payment?
- What happens to the money once it is paid under the levy?
- What choice will employers have about what they spend their money on?
- Can employers spend their funding on training in their supply chain?
- How will an employer get out more than they put in?
